

# REPORT

Stationery Kit Donation at ZP School Chinchpur, 15 th August

## Objective

To provide essential educational supplies to support the academic growth of children at ZP School Chinchpur.

## Implementation Highlights

On India's 78th Independence Day, Navriseup India Care Foundation, with the support of its volunteers, generously donated stationery kits to 50 students at ZP School in Chinchpur. The donation was a part of the Foundation's efforts to support education in rural areas.

## Expected Outcomes

1. Equip 50 students with the necessary tools for their studies.
2. Encourage enthusiasm for learning and participation in school activities.

## Impact Assessment

1. Students were excited to receive the kits, and teachers noted improved class participation.
2. The donation has sparked more interest in academic work among the children.

## Sustainability

Navriseup India Care Foundation plans to continue providing educational resources to schools in underserved areas.

## Conclusion

The stationery kit donation to ZP School Chinchpur on Independence Day helped support the children's education and foster a greater interest in learning.
