## **Supporting Those Who Support Our Community**

## **A Gesture of Appreciation for Anganwadi Workers in Dadegao**

On September 27th, Navriseup India Care Foundation, with the incredible support of our dedicated volunteers, donated chatai (floor mats) to the hardworking anganwadi workers in Dadegao, Aurangabad. These essential mats will help create a more comfortable environment for both the workers and the children they care for, making a small yet meaningful difference in their daily routines.

### **A Token of Gratitude**

Anganwadi workers play a crucial role in nurturing and educating young children, often in challenging conditions. By providing these mats, we aim to offer them a more comfortable space to carry out their vital work, acknowledging their dedication and commitment to the community.
