

REPORT

Independence Day Awareness Session at Support School, Ambica Nagar

Date: 15 August

Objective

To celebrate India's Independence Day while raising awareness about important social issues among children.

Implementation Highlights

Navriseup India Care Foundation, in collaboration with Vimal Khanderao Rangnekar Prathisthan, organised an awareness session for 60 children at the Support School in Ambica Nagar, Thane, as part of the Independence Day celebrations. The session aimed to engage the children with important messages on education, health, and social responsibility.

Expected Outcomes

1. Raise awareness among children on key social and educational issues.
2. Instill a sense of national pride and responsibility among the participants.

Impact Assessment

1. 60 children participated actively and showed a keen interest in the topics discussed.
2. Teachers and staff appreciated the Foundation's efforts to combine education and celebration.

Sustainability

Further awareness and educational sessions are planned as part of the Foundation's ongoing mission to empower children through knowledge.

Conclusion

The Independence Day session provided a platform for children to learn important life lessons while celebrating the nation's progress, encouraging them to be responsible and aware citizens.
