

REPORT

Mattress Donation Initiative at Anganwadi Kashmar, Amravati Melghat

Objective

To provide a clean and comfortable sitting space for children at Anganwadi Kashmar, enhancing their learning and play environment.

Implementation Highlights

Navriseup India Care Foundation, with the support of its dedicated volunteers, donated new mattresses to Anganwadi Kashmar in Amravati Melghat. This initiative was driven by the need to improve the daily environment for the children by ensuring they have a suitable place to sit during their activities.

Expected Outcomes

1. Enhance the comfort and cleanliness of the children's sitting space
2. Improve the overall environment for learning and play
3. Support the Anganwadi center in providing better care for the children

Impact Assessment

1. The children now have a more comfortable and clean space for daily activities
2. The improved environment is expected to contribute positively to their learning and well-being
3. Anganwadi staff and volunteers reported a positive response from both children and caregivers

Sustainability

Navriseup India Care Foundation plans to continue supporting such initiatives in the future. Further efforts will be made to enhance the learning conditions at Anganwadi centers through donations and volunteer support.

Conclusion

The mattress donation by Navriseup India Care Foundation has provided immediate benefits for the children at Anganwadi Kashmar. This small yet impactful step has improved their daily
